

SWAGTRON® Announces A New Flagship Adult Electric Scooter: SWAGGER 7T Transport with Autoguard™ Braking Technology, 350-Watt Motor, Air-Less Tires and More for Under \$500

Swagger 7T Transport is SWAGTRON's 2020 holiday upgrade to its popular Swagger 7 electric scooter with advanced smart commuter-centric features requested by fans and owners.

DENVER ([PRWEB](#)) November 17, 2020 -- [SWAGTRON®](#), the affordable choice in innovative, quality electric rideables for riders of all ages, is announcing the launch of their highest mileage, app-enabled flagship [electric scooter for adults—the Swagger 7T Transport](#). Powered by a high-speed, high torque motor and a large capacity removable battery lead the options along with Autoguard™ braking technology, puncture-resistant and air-less honeycomb tires, smart battery saving features, and a large integrated LCD. Available for sale now at [SWAGTRON.com](#). The Future Is Swag.

SWAGTRON's latest commuter eScooter boasts a powerful 350-watt motor, iOS/Android™ app integration, and a lightweight, folding frame composed of aircraft-grade aluminum, capable of supporting riders up to 220 pounds. Designed to make commutes faster, easier and more swag, especially for taller riders, the Swagger 7T delivers a comfortable ride for commuters up to 6'6".

The efficient removable battery charges in just 5 hours and has a travel range of up to 18.9 miles. It can be charged while attached to or detached from the scooter. Riders can purchase a second battery to keep charged and at the ready whenever you need extra power to swag. Advanced user-activated options (cruise control, kick-start motor) can increase travel range by 25% rounding out the scooter's smart features.

“Swagger 7T Transport ups the standard for a SWAGTRON commuter electric scooter,” says Chief Marketing Officer, Jason Wakefield. “But, this e-scooter isn't just for commuters, it's for anyone who wants a bit of extra SWAG in their lives. Owners will enjoy benefiting from the solid design and rider-friendly features.”
