*Spring training brings car-shopping baseball fans to Tampa Bay.*

NEW PORT RICHEY, Fla. ([PRWEB](#)) March 10, 2020 -- Spring training is in full swing and Tampa-area businesses are seeing an influx of visitors from all around. The team at Friendly Kia is opening its doors to those friendly friends from the North looking to purchase a new Kia vehicle during their trip to Tampa for a ball game.

Friendly Kia is home to over 600 new Kia vehicles, including those hard-to-find Telluride and Seltos models. This New Port Richey-based dealership is one of the few locations in the Tampa Bay area with Telluride models on the lot and they are currently selling more than 20 available models.

This local dealership is one of Tampa Bay's price leaders and each new vehicle from Friendly Kia comes with the dealership's Friendly Discount to knock the asking price down even further. Additional incentives can be added onto qualifying purchases, including Kia Customer Cash and Military Program discounts.

Shoppers from the North can also shop the more than 100 available used vehicles in the Friendly Kia inventory. These pre-owned models come with a full CarFax report, so shoppers know just what kind of vehicle they're getting.
