

Hyundai of Mankato to Donate to Children's Cancer Research with Each Vehicle Purchased Through March 13

Local dealership will donate \$100 to cancer research for every vehicle purchased through March 13

MANKATO, Minn. ([PRWEB](#)) March 03, 2020 -- To help support the strides towards finding a cure for children's cancer, Hyundai of Mankato has made a pledge to take action. For every vehicle purchased from now until March 13, 2020, the local dealership will donate \$100 to children's cancer research. In association with St. Jude Children's Research Hospital, the Mankato-area dealership aims to make an impact with these donations.

Hyundai of Mankato is a local dealership that is home to nearly 100 new Hyundai vehicles. From sedans to SUVs to crossovers, this dealership has them all. The local dealership also houses a lineup of used and Certified Pre-Owned vehicles for shoppers looking for a more budget-friendly vehicle option.

The dealership's lot and online inventory are full of incredible new Hyundai models that are sure to fit the bill for every driver. Shoppers who stop in and purchase a vehicle before March 13 will feel good knowing some of their payment will help researchers continue on their path towards saving children and finding a cure.

Individuals in the Mankato area that are looking for a new vehicle and want to simultaneously help out a great cause will find that this opportunity at Hyundai of Mankato is the perfect incentive. Shoppers will be able to find the car of their dreams while helping out an incredible local cause.
