

Watertown Ford Chrysler Announces 19th Annual Community Thanksgiving Dinner

Watertown Ford Chrysler, member of the Watertown Auto Group, announced their 19th Annual Community Thanksgiving Dinner to be held on Thanksgiving Day. This year's dinner will be given out via curbside pickup and delivery.

WATERTOWN, S.D. ([PRWEB](#)) November 23, 2020 -- Watertown Ford Chrysler has announced that their Annual Community Thanksgiving Dinner will be hosted by owner Scott and Jodi Driscoll and will take place on Thanksgiving Day. Meals will be given out through curbside pickup, or they will be delivered for those who cannot make it to the dealership.

In the past, the Community Thanksgiving Dinners were held in the showroom. Amidst health and safety concerns, Watertown Ford Chrysler decided against a large physical gathering. Last year, the dealership served almost 700 meals, and they expect to serve even more this year.

“We’re always excited to give back, especially during these difficult times,” said Scott Driscoll, dealer at Watertown Ford Chrysler. “I’d like to wish everyone in our community a safe and happy Thanksgiving.”

If you are interested, please call 605-886-5844 by 4 p.m. on Wednesday, the 25th to place your order. Curbside pickup will be available 11:30 a.m. through 1 p.m. on Thanksgiving Day at Watertown Ford Chrysler, located at 1600 9th Ave SE, Watertown, SD 57201.

ABOUT WATERTOWN AUTO GROUP

Watertown Auto Group’s guiding principle starts with the first of its seven brand promises; “One Low Price, Plain, Simple, Always.” Guests in Watertown and beyond can expect a low-stress car-buying experience backed by a huge selection of new, used and pre-owned vehicles featuring Bobcat, Chrysler, Dodge, Ford, Jeep, Lincoln and RAM.
