

Launch of official website for the London to Brighton Veteran Car Run 2004 by MSO.net.

MSO.net in conjunction with its media partner, Motion Works UK Limited is delighted to announce the launch of the official website for the London to Brighton Veteran Car Run 2004.

([PRWEB](#)) May 14, 2004 -- MSO.net and its media partner, Motion Works UK Limited are pleased to announce the recent launch of the official website for the 2004 London to Brighton Veteran Car Run. Motion Works UK Limited is an automotive and motorsport marketing and management company based in Brackley, Northamptonshire and has been appointed by the Royal Automobile Club of Pall Mall, London to exclusively manage the planning, organisation and administration of this prestigious veteran car event for the next 5 years.

Features of the site include a full itinerary - participants and spectators alike are able to gain access to all the relevant information concerning this annual event which is held on the first Sunday of each November. Participants can register online and media members who would like to apply for accreditation to the event or gain photographic passes can also apply online. Further sections include a gallery enabling visitors to enjoy scenes from last year and the Run's historical background. For more information, please visit www.lbvcr.com.
