

Expresso Airport Parking Takes Technology Lead

The leading off-airport parking facility, servicing Oakland International Airport, integrates a technological innovation that is the first of its kind in the United States.

San Leandro, CA (<u>PRWEB</u>) May 30, 2004 - $\hat{A}\Box$ Expresso Airport Parking has announced that it has implemented a technological expansion at its facility. Expresso, which is operated by Propark America, is a leading off-airport parking facility servicing Oakland International Airport.

Exclusive software was provided by McGann Associates and installed in pay stations throughout the facility. Propark then partnered with AAA to allow members to swipe their card through the machine and save fifteen percent on Expresso \Box s already inexpensive parking rates. This new software is the first of its kind to be installed in the country and Propark intends on implementing it on a national basis to add value for AAA members that park with Propark.

 $\hat{A} \square$ We wanted to facilitate the checkout process for our customers at Expresso, $\hat{A} \square$ said Scott Manos, Propark $\hat{A} \square$ s Chief Financial Officer. $\hat{A} \square$ Simplifying the parking process is a paramount objective for Propark. We are continually striving to make things easier for our clientele. $\hat{A} \square$

In addition to the technological advancement, Expresso has also utilized its websites, <u>www.expressoparking.com</u> and <u>www.oaklandairportparking.com</u>, to further assist travelers in securing guaranteed parking. Customers can now reserve a space online for parking either indoors or outside, with a generous discount for corporate travelers.

Expresso offers self-park as well as valet, in addition to luggage assistance, shuttle services, a frequent parker program and a variety of customer amenities, including car washes, auto-detailing, free coffee, muffins and newspapers.

Propark is one of the nation $\hat{A} \square$ s leading parking companies, providing full and limited service parking solutions for office buildings, retail centers, airports, medical centers, universities, municipal facilities, residential buildings and hotels.

Headquartered in Hartford, Connecticut, Propark operates more than 150 locations in convenient markets across the United States, including New York, Washington D.C., Boston, Cambridge, San Francisco, Oakland, Palo Alto, Hartford, Stamford and New Haven.
