

Amazing Certified Pre-Owned Vehicles Available in Ontario CA

John Elway's Crown Toyota Offering Certified Pre-Owned Vehicles.

ONTARIO, Calif. ([PRWEB](#)) April 19, 2020 -- For drivers that are living in the Ontario, CA area and are considering getting a new vehicle that offers a ton to enjoy without breaking the bank, John Elway's Crown has a lot to offer! They're packed with certified used vehicles for drivers to enjoy, offering a ton of benefits as well as a low price. Continue reading to see some examples of these vehicles!

The first of these available certified pre-used vehicles is a 2016 Scion iM Base model, a vehicle that delivers an amazing fuel economy of 28 MPG city and 37 MPG highway! This vehicle is priced at \$14,571 and only has 40,405 miles on it and has only had one previous owner. In terms of engines, this vehicle has a 1.8-liter four-cylinder, which is largely the reason for its great fuel economy.

Another great certified used vehicle found at this dealership is a 2017 Toyota 86 Base trim, which offers a classic name and great performance. This includes 21 MPG in the city and 28 MPG on the highway, and only has 40,858 miles on it as well as one previous owner! It has a strong 2.0-liter H4 DOHC engine and a 6-speed manual transmission, providing exceptional overall capability. This model is priced at \$21,861, so it's a great pick for those that bang for their buck!

Finally, the third example of a great certified used vehicle found at John Elway's Crown Toyota is a 2018 Toyota Camry LE, an excellent model that brings a ton to the table. This model only has 37,105 miles and features both a 2.5-liter I-4 DOHC 16V engine and an 8-speed automatic transmission that provides a fuel economy of 28 MPG in the city and 39 MPG on the highway. This model is priced at \$20,759, so it's a good price for drivers that capability for a low cost!

These are just three of the certified pre-owned vehicles at this dealership, there are many others to pick from!
