

Autotecnica Introduces New Chrome Styling Accessories For Your Truck Needs

OEM-Quality Chrome Styling Truck Parts Install Quickly & Fit Beautifully

([PRWEB](#)) August 25, 2004 -- Autotecnica introduces a line of OEM-quality Chrome accessories for your Ford, GM and Dodge trucks and SUVs. These clean-looking exterior styling products are quickly installed in a matter of minutes. They are available to fit Ford, GM and Dodge trucks and SUVs for model years 1990 & Later.

Autotecnica's New Chrome Truck Accessory program product line includes a variety of exterior styling accessories, such as a chrome door handles, chrome mirror covers, chrome side trim, head lamp and tail lamp trim, etc. The complete line of truck program products are expected to be completed by 2005.

These are not your average universal fit products but custom designed to be vehicle specific, says Alan D. Kantor, president and CEO of Autotecnica. With the contours and designs of these trucks in minds we specifically created this truck program to bring out their natural beauty.

The majority of these accessories are made from ABS injected plastic with a real chrome nickel finish. They come with top-quality 3M tape and adhesive promoter, and can be installed in 15 minutes or less. These are high-quality parts that fit right and install easily. They even come with a three-year warranty.

Autotecnica offers OEM-quality styling accessories for many of today's most popular vehicles, including Chrome trim products for the VW Beetle, Mini Cooper, Audi A4, PT Cruiser, Ford Focus, Honda Civic, Jeep Cherokee, GM Truck, Ford Truck, Dodge truck, and Cadillac Escalade. The company's high-value product line includes chrome exterior and interior dress-up accessories, shift knobs, racing pedals and more, under such popular brand names as EVO, Targa, Carex Sports, Monza and Niken. Autotecnica focuses on providing the best possible customer service, while strongly supporting traditional automotive aftermarket distribution channels.
