

Honda of Victoria offers multitude of service and parts specials until Jan.31

Coupons provide opportunities for drivers to save money on oil changes, wheel alignment, general maintenance and more at local service center

VICTORIA, Texas ([PRWEB](#)) January 21, 2021 -- Honda of Victoria, a dealership serving Victoria and the entire surrounding region, is currently offering a variety of exciting maintenance specials and service coupons to all comers. These offers provide opportunities for drivers to save money on key procedures including oil changes, wheel alignment, maintenance services, check engine light diagnostics, tire warranties, A/C system service and more.

Many of these service offers are only in play until Jan. 31, so interested individuals are encouraged to take advantage quickly. A full list of current service offers, as well as more details such as pricing, disclaimers and offer codes, can be found on the service coupons page of the dealership website.

Those aiming to take advantage of the various service discounts at Honda of Victoria should note that there is a limit of one coupon per transaction. To utilize, customers can show or mention the applicable offer to a service advisor or parts counter attendee upon their arrival at the dealership. For more information, individuals can contact the team.

Though Honda of Victoria specializes in, as the name suggests, Honda vehicles, their service department provides service to all automotive makes and models. The team utilizes a state-of-the-art facility and takes pride in getting every vehicle back on the road as fast as possible without cutting any corners. They will provide updates on service throughout the process and encourage customers to ask any questions that come to mind.

Those interested in saving money on their maintenance or service appointment with the use of the coupons above are encouraged to learn more about Honda of Victoria at the dealership website, www.hondaofvictoria.com. The dealership can also be contacted by phone with a call to 361-575-0495. Though much of the dealership's services can be accessed and utilized with ease through the website, those who wear a mask and follow social distancing guidelines are also welcome to visit the physical Honda of Victoria location at 116 Huvar St., Victoria.
