Discounts on popular maintenance procedures among coupons provided on dealership website

ELGIN, Ill. ([PRWEB](#)) January 21, 2021 -- Elgin Volkswagen, a dealership serving Elgin and the entire surrounding region, is currently offering a variety of service coupons. The offers provided give Elgin-area drivers the opportunity to save money while getting maintenance and service performed on their vehicle. The dealership is also providing discounts on official Volkswagen gear and accessories.

To take advantage of any of the service offers, individuals are instructed to print off the coupons from the dealership's service specials webpage and bring them in. Those interested should plan to head to the dealership within the next two months; current service coupons are slated to expire on March 31.

Offers include the opportunity for customers to get an oil and filter change for \$89.95. This procedure includes an oil and filter change utilizing up to five quarts of synthetic motor oil, along with a complimentary multi-point inspection.

Those interested in official Volkswagen Accessories can save by utilizing a coupon that grants a 15% discount on such items. Official accessories from the automaker include oft-desired gizmos such as roof racks, Monster Mats®, alloy wheels, styling kits, shift knobs, spoilers and more. Prospective customers may rest assured that the spoilers in question refer to the type utilized on vehicles to provide a sporty touch and not the untimely reveal of key plot points or secretive information in media.

Other current service coupons available to use at the Elgin Volkswagen service center include:

- \$20 off brake pad replacement per axle
- No charge battery test
- No charge tire rotation
- Volkswagen Tire Store Price Match Guarantee
- 20% off a VW DriverGear purchase (no minimum purchase required) with applicable promo code
