

## **The All-New 2020 Hyundai Palisade is Now Available at Hyundai of Albany**

*The 2020 Hyundai Palisade is an impressive choice for the three-row SUV segment*

ALBANY, Ore. ([PRWEB](#)) March 17, 2020 -- The three-row SUV segment is very popular with American consumers these days, and an impressive new addition to the segment is the [2020 Hyundai Palisade](#). The all-new Palisade greatly impresses, with its beautiful styling, powerful engine, off-road prowess, high-level utility, advanced technologies, a comfortable and roomy interior and an affordable pricing. Three-row SUV shoppers in Oregon can now get the 2020 Palisade at Hyundai of Albany.

The 2020 Palisade has an eye-catching look, with its bold grille, LED lighting, muscular profile and alloy wheels. The cabin of the Palisade is quite spacious, with an 8-passenger seating capacity and a generous amount of headroom and legroom for each passenger. With the 8-way Power Driver's Seat, drivers of the Palisade can easily find the ideal seating position. The Palisade offers a generous amount of storage space as well, with a maximum cargo capacity of 86.4 cubic-feet.

The 2020 Palisade delivers excellent performance with its 3.8-liter V6 Lambda II engine, which doles out 291 horsepower and 262 pound-feet of torque. The robust engine is mated to an 8-speed automatic transmission, which has a SHIFTRONIC mode for manual shifting capabilities. The MacPherson strut front suspension and the multi-link rear suspension provide confident handling and a smooth ride. Precise and responsive steering for the Palisade comes courtesy of the Motor Driven Power Steering system. When properly equipped, the 2020 Palisade can tow up to 5,000 pounds. With the available all-wheel drive system, the Palisade provides excellent traction on uneven and slippery surfaces.

Hyundai infused the Palisade with a very high level of safety, especially with the plethora of safety-enhancing driving assistance features. This includes Lane Keeping Assist, Blind-Spot Collision-Avoidance Assist, Forward Collision-Avoidance Assist, Rear Cross-Traffic Collision-Avoidance Assist and Driver Attention Warning.
