

## **Dr. Mark Quarto Signs On with Las Vegas Automotive Technology Firm**

*Dr. Quarto will serve as CTO for FutureTech Auto, whose direction in Advanced Vehicle Technology includes Hybrid, Electric, Fuel Cell, Autonomous Vehicles, and more.*

Las Vegas, Nevada ([PRWEB](#)) November 05, 2015 -- Always moving forward, Dr. Mark Quarto is taking his expertise in Hybrid, Electric, and other Advanced Vehicle Technologies to a brand new arena. Dr. Quarto quietly made himself available to the automotive industry as an independent consultant to automotive OEMs and aftermarket firms, and was quickly picked up by automotive firm FutureTech.

Still in its infancy, FutureTech is a group of like-minded individuals whose goal is to usher the automotive industry into an advanced era. Under Dr. Mark Quarto's technical leadership, FutureTech will provide a wide array of Advanced Vehicle Technology services to the automotive industry, from off-the-shelf diagnostic and repair solutions to special projects and consulting. FutureTech not only specializes in widely accepted advanced technologies, such as Hybrid and Electric Vehicles, but also Fuel Cell, Autonomous Vehicles, charging infrastructure, and business management.

Dr. Quarto will be serving as FutureTech's Chief Technical Officer. Dr. Quarto can be reached by emailing [mquarto\(at\)futuretechauto\(dot\)com](mailto:mquarto(at)futuretechauto(dot)com) or connecting with him via LinkedIn.

Dr. Mark Quarto served as the Chief Technical Officer of Automotive Research and Design from August 2012 to October 2015. His previous experience includes 28 years with General Motors in Advanced Vehicle Development, Advanced Powertrain Technology Systems, and Service Training Development. Dr. Quarto received his Doctorate of Technical Education in Engineering, specializing in Hybrid and Electric Vehicle Systems, from Nova Southeastern University. Dr. Quarto also holds a Master's Degree in Technical Education in Engineering (Motors and Generators); Bachelor's Degree in Electrical Engineering; Bachelor's Degree in Automotive Technology.

FutureTech was founded in 2015 to deliver Advanced Vehicle Technology solutions to all levels of the automotive industry. By understanding that the industry is composed of many equally important pieces, FutureTech is poised to deliver multi-faceted solutions to automotive service shops, fleets, distributors, manufacturers, and more. FutureTech meets the demands of today's automotive service professionals while developing tomorrow's advanced technologies. For more information visit <http://www.futuretechauto.com>.
