

MaintenX International Partners With Up and Coming Racers Before NASCAR Xfinity Series in Atlanta

Racer Landon Cassill and rookie Ryan Vargas will take to the Atlanta Motor Speedway racetrack on Saturday bearing MaintenX's name and colors

TAMPA, Fla. ([PRWEB](#)) March 18, 2021 -- MaintenX International, one of the nation's largest providers of facility maintenance for commercial buildings, is proud to announce a new partnership with JD Motorsports (JDM) with Gary Keller racers Ryan Vargas and Landon Cassill for the EchoPark 250 at [Atlanta Motor Speedway](#). MaintenX's bright orange and blue colors will zoom around the track as the NASCAR Xfinity Series head to 'The Big Peach' on Saturday, March 20.

"MaintenX is thrilled to be able to partner with Ryan and Landon and celebrate our shared passion for precision, speed, and safety," said Bill Schaphorst, MaintenX VP of Business Development. "Being able to sponsor two JD Motorsports cars at this Saturday's Atlanta Motor Speedway and demonstrate our commitment to our technicians, service team and skilled workers throughout the country was an opportunity we could not refuse."

[Landon Cassill](#) currently sits in 14th place heading into Atlanta after some impressive runs during the 2021 season. He has also maintained an impressive all-Top 20 finish record for 1.54 mile racetracks since joining the JDM team and is sure to bring his experience to the track.

[Ryan Vargas](#) is hoping to continue a strong fight for the Sunoco Rookie of the Year as he heads to his first start at Atlanta Motor Speedway. The rising star is a fresh face for racing, embracing new technologies like [TikTok](#) to engage fans in a long-loved sport.

MaintenX knows that the support they give to racers like Cassill and Vargas is equally matched by the resources and assistance they give to the members of their team. As their logo becomes increasingly recognizable, the hope is that more people will consider donning the blue and orange of Team MaintenX. Currently, MaintenX has more than 30 open career opportunities available in locations across the nation.

For team members, in addition to benefits like medical, dental and vision insurance, 401(k) options with 5 percent match and immediate vesting, paid vacations and holidays, MaintenX offers unique onsite perks like a gym, kitchen and bi-weekly sponsored lunches. MaintenX technicians also enjoy special benefits like company vehicles, complimentary uniforms, overtime opportunities, and the potential for signing bonuses.

"We always believe in supporting someone's best – whether they're headed for success in a racecar or in one of our MaintenX Super Service vehicles," said Schaphorst.
