Tampa Dealership Features a Huge Inventory of New Ford Trucks Thanks to It Being New Ford Retail Sales Leader

TAMPA, Fla. ([PRWEB](#)) March 17, 2021 -- Brandon Ford, a dealership in Tampa, Florida, was recently named the new Ford retail sales leader for 2020 by Ford, an achievement the dealership is looking to celebrate in a big way.

More specifically, Brandon Ford is celebrating this achievement by putting on its Truck-Fest event, which is going on now through the end of March, and features discounts on around 1,000 new Ford trucks, including the new Ford F-150 lineup, the new Ford Super Duty lineup, the new Ford Ranger lineup and more. Brandon Ford has always had a strong commitment to its customers, and that commitment has seen the dealership increase its inventory over the years in an effort to ensure customers can always find the exact make and model for which they're looking.

That commitment extends to helping customers before they step foot on the Brandon Ford lot. In fact, the Brandon Ford website houses the informative [Brandon Ford Blog](#), which features posts related to all of the latest news and notes about new Ford models, and the [Brandon Ford model information page](#), which features model-specific research pages so customers can learn all they need to know about any new Ford model in which they might be interested.

Once a customer figures out which new Ford model they'd like to see, they're encouraged to come celebrate with Brandon Ford during Truck-Fest.

"Our Truck-Fest event is a one-of-a-kind event that brings people in from all over Florida," said Tom Murray of Brandon Ford. "Nothing is off limits, everything is discounted. It's our way of thanking our customers for all of their support."
