

Lake Charles Toyota Offers Free Diagnostic Tests for Students

Louisiana dealership helps students by providing complementary diagnostics tests

LAKE CHARLES, La. ([PRWEB](#)) March 16, 2021 -- Students in or near the Lake Charles, Louisiana, region can receive a free vehicle diagnostic test at Lake Charles Toyota. This service is designed to help students save money and time by having one of the dealership's skilled technicians check over the vehicle to find problems at no cost. Any issues found will be reported to the driver so that they may choose to get the issues resolved to avoid additional damage, repair costs, labor costs and potential breakdowns.

This offer is valid for current students that present a valid student ID. Local colleges and universities that Lake Charles Toyota accepts student IDs from include McNeese State University, SOWELA Technical Community College, Louisiana State University, Lamar University, Lamar State College, Northwestern State University, Louisiana College, University of Louisiana at Lafayette and others. Those that do not present a valid student ID will not be eligible for this promotion.

The service team at Lake Charles Toyota is trained to effectively identify and resolve issues with a variety of car brands. Customers that would like to get their vehicle checked out at Lake Charles Toyota may [schedule a service appointment online](#) or contact the service team directly at 337-419-2993. Individuals that would like to visit the dealership in person to get their vehicle inspected can do so at 3905 Gerstner Memorial Drive in Lake Charles. Those interested to learn more about Lake Charles Toyota and the services it provides are encouraged to explore its website at www.lakecharlestoyota.com.
