

Genesis of Stockton is offering multiple service coupons to eligible drivers

Drivers in the Stockton area can take advantage of these service coupons

STOCKTON, Calif. ([PRWEB](#)) March 15, 2021 -- Genesis of Stockton is offering drivers multiple different service coupons that can be used on Genesis vehicles. All the coupons listed below can only be used at Genesis of Stockton, which is located in Stockton, CA. These offers expire on May 31, 2021, so drivers are encouraged to take advantage of these deals while they are available.

The first coupon the Genesis of Stockton has available is for a cabin air filter replacement. The benefit of getting a new cabin air filter include reduced air impurities, such as pollen, dust, mold and other airborne materials. This service is available at Genesis of Stockton for a discounted rate of \$49.95, and to redeem the coupon just bring it in at the time of service.

Another coupon that Genesis of Stockton has available is a general discount of 15% on any maintenance service. Just bring in the coupon at the time of service and 15% of your service purchase will be taken off the original price.

These coupons can be acquired by heading over to the Genesis of Stockton website at <https://www.genesisofstockton.com> and can be accessed in three different ways. Interested drivers can either print off the coupon straight from the Genesis of Stockton website or they can choose to have it sent to a working email or an active phone number.

These are just two of the service deals Genesis of Stockton has available at the moment, and drivers who are interested in seeing what else their local Genesis dealership has to offer can also head to their website and go under the “ownership” tab where they can select “service specials” in the drop-down menu.
