

Rossi Honda has Welcomed the 2022 Honda Odyssey to its Showroom

The 2022 Honda Odyssey offers a generous amount of cabin space as well as technology features

VINELAND, N.J. ([PRWEB](#)) March 11, 2021 -- Vineland-area drivers who have been looking for a new vehicle that offers more space will like what the 2022 Honda Odyssey has to offer. With more interior space and various trim level options, the 2022 Honda Odyssey is ready to go. The minivan is now available at Rossi Honda.

The five trim levels that the 2022 Honda Odyssey is available in include the LX, EX, EX-L, Touring and Elite. All five trim levels come with the same powerful engine option which is a 3.5-liter V-6 that produces 280 horsepower and 262 pound-foot of torque.

There are a variety of technology features available and standard in the 2022 Honda Odyssey. The LX trim level comes with a 5-inch color LCD screen and the rest of the trim levels come with an 8-inch high-resolution electrostatic touchscreen. Apple CarPlay®, Android Auto™, Sirius XM®, HD Radio™ and SMS Text Message Function come standard on the EX trim level and above.

Honda Sensing® technologies come standard in the 2022 Honda Odyssey. The systems include a Collision Mitigation Braking System™, Road Departure Mitigation System™, Forward Collision Warning and Lane Departure Warning. Other driver-assist features include a Lane Keeping Assist System, Adaptive Cruise Control with Low-Speed Follow, Traffic Sign Recognition, Auto High-Beam Headlights and Rear Seat Reminder.

Potential customers who would like to learn more about the 2022 Honda Odyssey that is now available at Rossi Honda can visit <https://www.rossihonda.com/>. Individuals who have further questions and would like to speak to someone from the dealership can do so by calling 856-446-5217. Finally, Rossi Honda is conveniently located at 1517 South Delsea Drive for those who would like a more personal experience.
