

Used Models that Offer a Moonroof at Toyota of Lompoc at Lompoc CA!

Toyota of Lompoc Offering Used Models with a Moonroof in Lompoc CA!

LOMPOC, Calif. ([PRWEB](#)) March 23, 2021 -- For drivers in Lompoc, CA that are looking for an exceptional model that offers great style and luxury, Toyota of Lompoc has you covered. The dealership has several great vehicles available, with many of them offering a moonroof! What are some examples of these models? Continue reading to find out!

The first of these amazing models is a 2006 Honda Accord EX, a model that delivers a variety of benefits. This includes a moonroof, obviously, as well as a 3.0-liter V6 engine system, a five-speed automatic transmission, and other benefits. This model is priced at only \$5,995 and has 208,740 miles on it in total.

There's also a 2016 Toyota RAV4 XLE, which is priced at \$19,995 and features a moonroof, a 2.5-liter four-cylinder engine, six-speed automatic transmission, and more. This SUV has a total mileage of 52,682 and a fuel economy of 23 MPG in the city and 30 MPG on the highway. Overall, it's a great model for any driver!

Finally, there's a 2014 Kia Optima SXL available on the market, which offers a moonroof, a 2.0-liter I-4 engine, six-speed automatic transmission, and other benefits. It's currently priced at \$12,995 and has only 93,668 miles on it in total. That's a great pick for any driver in Lompoc, CA that wants a ton of benefits for a low price!

For drivers interested in these models and others that offer a moonroof in Lompoc, CA, or who want to take any of them for a test drive, please contact the dealership today! Toyota of Lompoc can be reached at 805-736-1295, online at <https://www.toyotaoflompoc.com/>, or in person at 203 East Ocean Avenue, Lompoc, CA!
