

Gordie Boucher Nissan is offering a coupon for discounted service to drivers in the Milwaukee area

Drivers near Greenfield, WI, can stop at Gordie Boucher Nissan for discounted service in March 2021

GREENFIELD, Wis. ([PRWEB](#)) March 22, 2021 -- Gordie Boucher Nissan, a Nissan dealership in Greenfield, is offering a coupon for discounted service to drivers in the Milwaukee area this month, March 2021. This temporary coupon offers a service bundle for \$49.95 to drivers who need standard vehicle maintenance. The services included with this coupon include an oil change, a filter change, a tire rotation, a tire inspection, a brake inspection, a battery test, a fluid top-off and a multi-point inspection.

Drivers who are due for a regular oil change soon are encouraged to use this coupon to get “The Works” as it is called on their website. For a similar price to what most dealerships charge for an oil change, drivers can get a service bundle of seven services. This offer is available through the end of March 2021, which gives drivers just over a week to visit the dealership and get discounted maintenance.

Interested drivers can learn more about this special offer, other special offers and the dealership’s service department by heading to the dealership’s website, bouchernissangreenfield.com. The service coupons page can be found linked under the “Specials” drop-down menu located at the top of the website. Drivers can also use the contact information on their site to contact the dealership or can schedule an appointment online.

This special offer is available with a regular oil change. Synthetic engine oil will cost extra. The coupon must be presented to the service team at the time of service. Offers may not be combined.
