

TOYOTA SCION LIVE ON PENN ANNOUNCES 2004 LINE-UP - D.C. Music Festival to Feature First Rate Headliners and Top Local Acts

The Toyota Scion Live on Penn music festival today announces its 2004 line-up. With the U.S. Capitol as a backdrop and America's Main Street as a venue, this second year series provides the people of D.C. a unique concert series with low ticket prices and a diverse line-up of musical talent for all to enjoy. The 2004 Toyota Scion Live on Penn schedule is set to include performances by modern rockers Eve 6 and Fountains of Wayne, indie favorites They Might Be Giants, hip-hop favorites Nappy Roots and Arrested Development, and emerging chart-toppers Pat McGee Band and Gavin DeGraw. In addition to the impressive list of national recording artists, Toyota Scion Live on Penn also features up-and-coming local talent on the same picturesque stage.
