

Acura of Salem updates health and safety standards for guests' well-being

New sanitation requirements and hours are added for shopper safety and convenience

SALEM, Ore. ([PRWEB](#)) April 17, 2020 -- Acura of Salem has made changes to improve shoppers' experience. Health and safety standards have been heightened to improve the well-being of guests. Acura of Salem has taken precautions to make sure its facilities are sanitized and a safe environment for visitors.

The showroom is open for guests and is cleaned by a professional cleaning crew who use high-quality disinfectant and sanitation supplies. Common areas and surfaces are disinfected several times per day, and keys for test drive vehicles are also cleaned. The representatives of Acura of Salem have been instructed on maintaining a safe distance and regular hygiene.

There are new hours for Acura of Salem during this time. The Acura of Salem Service and Parts department is open from Monday to Friday from 7 a.m. until 4 p.m., and the sales floor is open from 9 a.m. until 6 p.m. Monday through Saturday and 10 a.m. until 5 p.m. on Sunday. The dealership also offers Acura Accelerated Service for quick, 30-minute service without an appointment for those on the go.

Acura of Salem is also offering a remote test drive and vehicle purchase process. Shoppers can buy their vehicle online and over the phone to go over the details with the sales team. Test drives will be offered to shoppers who live near the Acura of Salem showroom.

Interested parties who would like to learn more about the new changes at Acura of Salem or require services from the dealer can visit their website: acuraofsalem.com. Shoppers can also visit the showroom in person at 2475 Commercial St. Se, Salem, OR to see what they have to offer. Prospective buyers can also call ahead to ask any questions about the dealership or its vehicles by calling 503-588-5000.
