

Manhattan Beach Toyota will host blood drive with the Red Cross

Local dealership is sponsoring blood donation drive to help hospitals around the country

MANHATTAN BEACH, Calif. ([PRWEB](#)) April 17, 2020 -- Manhattan Beach Toyota will be offering their showroom to help hospitals receive the supplies they need to save patients' lives. Guests are welcome to make an appointment and help donate blood. During this time, hospitals need all the supplies they can get to help them provide excellent health care to their patients.

Manhattan Beach Toyota will be hosting a blood drive at its showroom on May 5. The blood drive will run from 10 a.m. until 4 p.m. Interested parties can sign up at redcrossblood.org and use the sponsor code: MB Toyota. The Rapid Pass on the Red Cross website can help make donors time quicker at the blood drive for those who want a more expedited donation experience.

Manhattan Beach Toyota has improved its sanitation standards to make sure the that showroom is clean for the sake of shoppers and donors. Hand sanitizer stations are around the showroom for visitors to use when they need it. The staff also practice social distancing and maintain high standards when it comes to the hygiene of the showroom.

Interested parties can learn more about Manhattan Beach Toyota and the blood drive this May 5 by visiting the dealership website for more information: manhattanbeachtoyota.com. Donors or other guests who are interested visiting the showroom can speak with a representative by calling the dealership at 855-955-7001. The Manhattan Beach Toyota showroom is located at 1500 N. Sepulveda Blvd., Manhattan Beach, CA 90266 for prospective donors who want to sign up. Any other questions about the event or the dealership can be answered by the representatives at Manhattan Beach Toyota today.
