

Business Link Limousine For Denver Colorado

We take great pleasure in announcing the launch of our new concept designed luxury limousine service Business Link Limousine

([PRWEB](#)) July 7, 2004 -- We take great pleasure in announcing the launch of our new concept designed luxury limousine services.

Business Link Luxury Limousine Services, offers a top of the line transportation service for groups of up to 8 passengers.

We have discovered an important opening for a luxurious group transportation, hence existing limousine services only provide limited seating or otherwise very costly.

By providing brand new luxury conversion vans with a maximum seating of up to 8 passengers, we offer a practical and more economical service for groups of families or business executives, whether on business or leisure trips.

Our experienced drivers are highly trained to insure a professional service and the highest standards.

To complete our concept, we have equipped all our vehicles with the latest comfort you could think of.

All our limousines are Brand New and fully loaded with:

Leather seating.

Maximum number of 8 passengers.

Flat screen color TV.

DVD / CD player (with headphones).

AM/FM stereo radio (with headphones).

Dolby surround sound system .

Ice chest and a large choice of beverages.

Local and long distance telephone service.

Air conditioning and heating.

Full cloth shades on all passenger windows.

Ample individual lighting.

Daily news papers and periodic magazines

We offer an attractive monthly Â business executive packageÂ ,in addition to our very competitive rates.

Our aim is to provide your clients with the best service they deserve and to build a long and lasting business relationship with your company, we also aim to contribute in enhancing your image as well as ours.

We invite you to schedule an appointment to inspect our vehicles at your convenience.

We look forward to serving you .
