

Turtle Wax show car project Announcement

RPM Racing Inc. has begun work on a show car project for Turtle Wax. The project vehicles to be built at RPM Racing Inc.'s facility in New York will be taken on tour across the country to promote the Turtle Wax product line and one will eventually be raffled off at the 2005 SEMA show in Las Vegas.

([PRWEB](#)) July 23, 2004 -- RPM Racing Inc. has begun work on a show car project for Turtle Wax. The project vehicles to be built at RPM Racing Inc.'s facility in New York will be taken on tour across the country to promote the Turtle Wax product line and one will eventually be raffled off at the 2005 SEMA show in Las Vegas. Also on display at SEMA will be a short film of all the work being performed on the cars by the technicians at RPM Racing Inc.

The project vehicles; a 1997 Nissan Silvia, a 2005 Dodge 2500 4x4 and a matching enclosed trailer will all be painted in Turtle Wax's traditional green and be prepared with custom Turtle Wax graphics. Both the Silvia and the Dodge will receive performance upgrades from leading companies in the import industry to be named shortly.

RPM Racing Inc., a performance shop in New York has grown at a rapid pace over the last 2 years. They specialize in exotic and luxury cars and have participated in several high profile show and race car projects. For updates on this project and a schedule of magazine and car show appearances visit the RPM Racing Inc. website at www.RPMRacingInc.com
