

Stremme and the TRIMSPA® X32 Dodge® Looking to Rebound in New Hampshire

NASCAR® Team TRIMSPA driver David Stremme will be joined Friday night by the TRIMSPA NASCAR Simulator and the Anna Nicole Big Boar Chopper for an autograph signing at Rite Aid® on South Street in Concord, NH, beginning at 6:30. The first challenge Stremme will face at New Hampshire International Speedway is that he has never turned a lap there. However, New Hampshire is often compared to The Milwaukee Mile® where Stremme broke the track record last month in qualifying and narrowly missed winning in the final laps.

([PRWEB](#)) July 23, 2004 -- Cedar Knolls, NJ, July 23, 2004 □ NASCAR® Team TRIMSPA driver David Stremme will be joined Friday night by the TRIMSPA NASCAR Simulator and the Anna Nicole Big Boar Chopper for an autograph signing at Rite Aid® on South Street in Concord, NH, beginning at 6:30.

Team TRIMSPA has faced disappointment in the last two races on the Busch® Series circuit. At both Daytona and Chicago, Stremme has been taken out of contention by being pushed into the wall while running solidly in the top 10. Last weekend was the first one off for the Busch Series in twelve straight races. While it should have been relaxation time, Team TRIMSPA was anxious to get back to the track for redemption at New Hampshire International Speedway®.

□ The last two races have been disappointing because we have been caught up in someone else's mess, □ said Stremme, the South Bend, IN native. □ What is encouraging is that our cars have been fast. I still wholeheartedly believe our program has found the consistency we need to gain in the points. □

The first challenge Stremme will face at New Hampshire International Speedway is that he has never turned a lap there. However, New Hampshire is often compared to The Milwaukee Mile® where Stremme broke the track record last month in qualifying and narrowly missed winning in the final laps. Stremme has a history of placing well at tracks where he competes for the first time, with top-five finishes at Darlington and Las Vegas this season, in his first starts at those tracks. Also, Stremme will be driving the same car that he ran so well in Milwaukee just three races ago.

Stremme and Team TRIMSPA look to finish up front and reclaim that consistency when they compete at New Hampshire International Speedway in the Siemens® 200 on July 24th. The event will be televised live at 1 p.m. eastern time on TNT® and will broadcast nationally on radio stations affiliated with Motor Racing Network® (MRN) and XM Satellite Radio Channel 144.
