

Autos of Dallas Provides 100% Online Car Shopping Experience During Coronavirus Quarantine

Free delivery, zero down, online credit approval and deferred payments highlight online experience.

DALLAS ([PRWEB](#)) April 14, 2020 -- Autos of Dallas is a premier pre-owned luxury car dealership located in Plano that will cater to drivers in need during the Coronavirus pandemic with a 100% online experience. To help potential owners find the right fit from the comfort of home, the dealership provides online shoppers with a massive inventory of pre-owned luxury vehicles, online credit approval, deferred monthly payments and free delivery to Texas and Oklahoma car shoppers.

The [Autos of Dallas online inventory](#) is stocked with pre-owned luxury vehicles that include many favorite luxury brands – Mercedes-Benz, Lexus, BMW, Audi, Bentley, Tesla, Acura, Cadillac, Lincoln, Maserati, Jaguar, Land Rover, Infiniti, MINI, Porsche, Volvo and more. To find the right fit, shoppers will have the ability to sort the inventory search results by price, year, make, model, trim level, body style, mileage, color, engine and more.

When potential owners have found the perfect automotive fit, an Autos of Dallas team member will help them navigate the purchase process via email or phone. Online credit approval will help get drivers started with the purchase process and will set the foundation for the Autos of Dallas online experience. With an approved purchase, drivers will have no down payments and no payments to be concerned about for the first 90 days during the Coronavirus pandemic. [Free delivery in Texas and Oklahoma](#) will add to the online experience and [affordable nationwide shipping](#) with a price that starts at \$499 will cater to drivers in the rest of the continental United States.
