If you are a dedicated racer, commuter, weekend rider, dirt dogger, or just an armchair rider, HellaciousRiders.com connects those who share your passion. In addition, membership to HellaciousRiders.com or HRiders.com is always free.*

Irvine, CA ([PRWEB](#)) August 12, 2004 -- HellaciousRiders.com an iTrade Group, Inc. Company is giving away unlimited 3 Gigabyte HRiders.com email accounts to its members. With millions of requests, HRiders.com has created a universe where motorcycles can be bought or sold, competition news or advanced technology released, rare parts found, and collectibles displayed and admired. If you are a dedicated racer, commuter, weekend rider, dirt dogger, or just an armchair rider, HellaciousRiders.com connects those who share your passion. In addition, membership to HellaciousRiders.com or [HRiders.com](#) is always free.

[HRiders.com](#)'s service includes an anti-virus application & spam blockers fully paid for by advertisements. Users can also opt for an ad-free service for only \$50 a year. In keeping with a passion for time spent outside, servers are housed in an environmentally safe solar powered site. Five virus scans are performed every hour and systems cleaned daily while members have the capability to save 120,000 e-mails, 6,000 photos and 150, one-minute video clips.

In addition, [HRiders.com](#) hosts a radio station reaching over a million and a half listeners. The music ranges from the 60s to present day, focusing on the motorcycling community. Kawasaki, one of the premier international motorcycle manufacturers has recently chosen [HRiders.com](#) for a major advertising campaign.

[HRiders.com](#) has a world wide membership that proves that old habits die hard, once a biker, always a biker. Whether you are looking for a service in your area, a style of motorized equipment, or maybe just a friend or two, [HRiders.com](#) keeps you connected. I believe it was Seneca who said it was a rough road that leads to the heights of greatness. There might be something to that.

[HellaciousRiders.com](#) is your Online Interactive Motor Sports Community.
