

America's Car to visit the PGA Buick Championship on a nationwide tour to salute America's Employers of National Guardsmen and Reservists

The National Committee for Employer Support of the GUard and Reserve is sponsoring a nationwide salute to America's Employers in all 48 contiguous states.

Arlington, VA ([PRWEB](#)) August 20, 2004 -- The National Committee for Employer Support of the Guard and Reserve (ESGR), an agency of the Department of Defense, announced today that America's Car will visit the PGA Buick Championship at the Tournament Players Club in Cromwell, Connecticut on August 23rd and August 24th, 2004.

Richard Childress Racing and the National Committee for Employer Support of the Guard and Reserve (ESGR) sponsor America's Car. This authentic NASCAR car, configured for racing, is complete with a 700HP engine. "It is an honor for Richard Childress Racing to partner with ESGR to help bring awareness to the important work they're doing on behalf of the men and women who serve in the National Guard and Reserve," said Richard Childress, President and CEO of Richard Childress Racing.

All citizens of the greater Hartford area, and golf spectators, are invited to have their picture taken with America's Car, and to sign their names to several large "Support Our Troops" banners to demonstrate their continued support for our deployed troops. The Car and banners will be displayed at the main entrance gate of the Tournament Players Club between the patio and the 19th Hole Caf .

"Saluting America's Employers is the right thing to do, and this is the right time to do it," said Bob Hollingsworth, ESGR Executive Director. "Many of America's employers have gone above and beyond in their support of their employees who serve in the National Guard and Reserve." He added that ESGR representatives will provide employers information to ensure compliance with the USERRA Laws, as well as suggestions on how best to manage their employees who serve the country in the National Guard and Reserve.

Employer Support of the Guard and Reserve is a Department of Defense volunteer organization. ESGR provides free education, consultation, and if necessary mediation for employers of Guard and Reserve employees. More information about ESGR Employer Outreach Programs and volunteer opportunities is available at www.esgr.com, or by calling 800-336-4590.
