

Automax Truck and Car Center Promotes Pre-Owned Pickup Trucks to Farmington, NM Drivers

Drivers in Farmington can buy pre-owned pickup trucks of every shape and size at Automax Truck and Car Center

FARMINGTON, N.M. ([PRWEB](#)) February 25, 2020 -- Car shoppers looking to buy a pre-owned pickup truck should look at the inventory of pre-owned pickup trucks at [Automax Truck and Car Center](#). Automax has [pickup truck models](#) of almost every age, class, color, bed size, cab style and brand available.

A few Chevrolet models are currently for sale on the Automax lot. Chevrolet Silverado 1500 and 2500 models from no earlier than 2009 make up the whole Chevrolet pickup stock. Most of these have white exterior paint and large cabs.

Representation of Ford trucks includes F-Series models, especially the F-150 and F-250. A single F-350 is available for shoppers seeking heavier-duty performance. Most of these pickup trucks come between the model years of 2012-2014 and 2018-2019.

With over 20 [pre-owned Ram trucks](#) on the lot, the stock of Ram is the most common brand to find among the pickup trucks. Most of these are Ram 1500 and 2500 models from the 2012 - 2019 model years. Trim level information is available on the Automax Truck and Car Center website.

Five Toyota pickup trucks can also be found on the Automax pre-owned vehicles lot. One Toyota Tacoma from the 2018 model year is among them, outnumbered by four Toyota Tundra models. Among the Toyota Tundra models, shoppers will find older model years from as early as 2008.

Two Nissan models round out the pickup truck availability on the Automax lot. These two are both white painted four-door cab Nissan Titan models; one from the 2016 model year, and the other from the 2018 model year.

Shoppers interested in purchasing a pre-owned pickup truck at Automax Truck and Car center are encouraged to contact the dealership online or over the phone at 505-436-3938. Shoppers may also visit the Automax Truck and Car Center at 5220 East Main Street, Farmington, New Mexico 87402.
