

Dream Wanderer Portrays the Pain and Hurt Caused by a DUI Accident

Boyd Thomas London, a distant cousin of Jack London, shows the pain and hurt caused by a DUI accident in his new novel Dream Wanderer.

([PRWEB](#)) October 30, 2004 -- Boyd Thomas London, a distant cousin of Jack London, shows the pain and hurt caused by a DUI accident, as a young man is hit by a drunk driver and is left in a coma, in his new novel Dream Wanderer. Each year, 18,000 people are killed and millions more are injured because of people driving while intoxicated. London's first novel, Creeton, published in April of 2003, makes a statement for worldwide peace. Dream Wanderer, following in London's style, also makes a strong moral statement.

“Dream Wanderer is a heartwarming story about the glory of life. It is also a heart-pounding adventure to a new and strange world.”

Joe Blake is a college football player and has a loving family. He has been living a fantastic life until he has a horrible car accident that puts him in a coma and holds him at the verge of death. As his family sits by his side, pulling for him to make it, they don't realize that he is trapped in a dream world. A world where he must fight with every ounce of strength to survive, a world where there is only one way for him to return to his life on earth. Be prepared to be drawn into the realm of the Dream Wanderer.

Boyd Thomas London graduated from Wood River High School of Hailey, Idaho, with a 3.96 GPA and numerous awards. He served four years in the Air Force as a Munitions Systems Specialist and was awarded the Air Force Achievement Medal and many other awards. Boyd completed two years of college at the University of Alaska, Anchorage, with a 3.95 GPA and many awards. He is currently on scholarship and is finishing his BBA degree in marketing at Boise State University in Idaho.
