

## **Stremme, TRIMSPA® X32 Dodge® Ready for First Start at Kansas Speedway®**

*When David Stremme takes the green flag for the Mr. Goodcents® 300 at Kansas Speedway this Saturday, it will be his first race ever at the 1.5-mile tri-oval. Driving at a NASCAR® racetrack for the first time is nothing new to Stremme. He has visited 10 new tracks while driving the TRIMSPA X32 Dodge in 2004, despite having 18 starts in 2003 which was enough to claim Rookie of the Year honors. Kansas Speedway is currently the last track on the Busch circuit where Stremme has no experience. Stremme has already posted three top tens, including one top five, at tracks where he has made his first start this season.*

Kansas City, KS ([PRWEB](#)) October 10, 2004 -- When David Stremme takes the green flag for the Mr. Goodcents® 300 at Kansas Speedway this Saturday, it will be his first race ever at the 1.5-mile tri-oval. Driving at a NASCAR® racetrack for the first time is nothing new to Stremme. He has visited 10 new tracks while driving the TRIMSPA X32 Dodge in 2004, despite having 18 starts in 2003 which was enough to claim Rookie of the Year honors. Kansas Speedway is currently the last track on the Busch circuit where Stremme has no experience. Stremme has already posted three top tens, including one top five, at tracks where he has made his first start this season.

“I can say that I have raced them all after this weekend,” said Stremme, driver of the TRIMSPA X32 Dodge. “Next year, when we run at Watkins Glen and Mexico, I will not have raced at those places either, but I will be in the same boat as the other drivers. I am just focused on getting a solid finish this weekend for the TRIMSPA Team.”

Competing at every Busch track is just one milestone in Stremme’s transition into a veteran of the series. Just last weekend Stremme passed the million-dollar mark in Busch career earnings. Stremme and Team TRIMSPA will travel to Kansas Speedway this Thursday in preparation for competing in the Mr. Goodcents 300 Saturday, October 9th. The event will be televised live at 2 p.m. eastern on TNT® and nationally on radio stations affiliated with MRN® and on XM Satellite Radio Channel 144.
