

Carl Black Chevrolet Offers At-Home Test Drive and Delivery Services for Customers Stuck at Home

Drivers in the Nashville area can shop for a new Chevrolet vehicle from home with Carl Black Nashville.

NASHVILLE, Tenn. (<u>PRWEB</u>) April 06, 2020 -- Carl Black Nashville, a Chevrolet dealership located in Nashville, offers special at-home services to its customers stuck at home. The dealership provides online tools and at-home services to make it easy for a customer to buy a vehicle without leaving their house. Among these services are an at-home test drive services and a home delivery service for new vehicle purchases.

Customers who are interested in test driving a new Chevrolet model can contact Carl Black Nashville from its website or on the phone to set up an appointment. Setting up a test drive appointment is quick and easy. The dealership will need to know basic contact information and the desired vehicle, and from there a date and time can be scheduled. One Carl Black Nashville employee will be sent out with the vehicle to deliver the test drive to a customer's door.

Likewise, with at-home delivery services for new vehicle purchases, one team member will bring the vehicle directly to the customer's home. The at-home delivery service can bring the new vehicle to a customer's home or a pre-determined location like a business.

Drivers who are still looking for a new vehicle are encouraged to use the dealership's website, <u>carlblackchevy.com</u>. On its website, drivers can utilize free online tools to <u>estimate their monthly payments</u>, <u>apply for financing approval</u> and research their next Chevrolet model. Plus, the dealership has a comprehensive online inventory for both its new and used vehicles.
