

30% Savings on Texas Auto Insurance Drives Doubling of Texas Wasatch Agency Force

Texas Wasatch Insurance, a leading provider of homeowners and auto insurance in Texas, has recently completed its hiring program to double its agent workforce. The aggressive expansion was due to increased client demand for Texas Wasatch's auto insurance savings.

([PRWEB](#)) November 22, 2004 -- Texas Wasatch Insurance is pleased to announce that it is in the final stages of completing its recruitment program to double its Texas [auto insurance](#) agent workforce.

Mark E. Jones, Texas Wasatch Group CEO, explains, "Our core Texas [auto insurance](#) business continues to grow very rapidly. Our agent team continues to generate client results that are driving explosive growth for us. Our efforts have saved our new clients an average of over 30% annually on their [auto insurance](#) and over 20% on homeowners insurance in Texas. We have had to aggressively expand our team to keep up with the resulting extraordinary client demand."

Jones describes his agent team as Texas Wasatch Group's secret sauce. He explains, "We have recruited a team that I believe are without equal in our industry. All of our agents have graduated at or near the top of their class from leading colleges. We even have a Rhodes Scholar nominee as a member of our agent team. When clients work with one of our agents, they have a very different experience than they have ever had working with an insurance agent."

The company's highly trained agents have developed extensive expertise in understanding the three things that individuals can do to lower the cost of their homeowners and [auto insurance](#).
