

Shanghai K-lite Industrial Co., Ltd is a Professional Manufacturer Engaged in Developing and Producing a Variety of Warning Reflectors and Reflective Lenses in Traffic Safety Area

Our company is proud of and based on these best technical sources to offer you the best service.

([PRWEB](#)) November 27, 2004 -- Shanghai K-lite Industrial Co., Ltd is a professional manufacturer engaged in developing and producing a variety of warning reflectors and reflective lenses in traffic safety area. As our background, we are the important joint venture of DBM Reflex groups, who are the top maker of reflex e-forms and one of the best optical designers in the auto industry with more than 30 years experiences. Our company is proud of and based on these best technical sources to offer you the best service.

K-lite Industrial Co., Ltd: K-lite was founded by DBM Taiwan and located in Shanghai of Mainland China, who inherits DBM's technical knowledge in order to explore the reflective lens business in the world. With the supports of e-forms from Canada and adopting the molds and technical skills from Taiwan, we are able to manufacture the best and competitive plastic reflectors.

Our Reflex products

1. Triangle Warning Mark (Road Triangle Stopper)
2. Barrier Delineator (Traffic Reflective Mark)
3. Pavement Marker (Reflective Convex Sign, Road Stud)
4. Reflective Guide (Shape: round, triangular and oblong)
5. Reflectors for Bicycle parts (include pedal, wheel, head and rear parts)
6. Motorcycle Reflective Lenses
7. Reflectors for big vehicles (like truck and bus)

Our Market Strategies

1. We accept both OEM and ODM assignments from you.
2. Our products are able to meet international standards like ECE, SAE and JIS.
3. Offer customers more services like solutions to optical design problems and other relative technical advices.
4. Combine the all advantages from DBM in Canada, DBM in Taiwan and K-lite in Mainland China to make competitive price and best quality.
5. Improve the world's safety and satisfy our customers are our priorities.
