

2005 Event Calendar Released for Ford Mustang Enthusiasts

Donald Roy, publisher of The Chrome Pony web site announced today the release of an online event calendar for Ford Mustang enthusiasts in particular and motorsport fans in general.

([PRWEB](#)) December 1, 2004 -- Donald Roy, publisher of The Chrome Pony web site announced today the release of an online event calendar for Ford Mustang enthusiasts in particular and motorsport fans in general.

"Apparently, 2005 is going to be a busy year because we made over a hundred and seventy-five entries that you probably want to know about. From Mother's Day to auto shows and the full schedules for nine different motorsports series, we've got all the currently available information," said Roy in the announcement.

Included are Fun Ford Weekends, National Mustang Racing Association dates, National Hot Rod Association and International Hot Rod Association events. All are lined up so viewers can see exactly what is coming when and where.

"Because you are certainly well rounded individuals that appreciate other motorsports, we've also included Formula One, the American Le Mans Series, the Champ Car series, the Indy Racing League and the Speed World Championship GT events. We've also made sure to include special dates like the Woodward Dream Cruise and the Cars at Carlisle events." added Roy.

Certain dates that are known to be tentative are marked as such and plans call for continual updating of the pages as new information becomes available.

About The Chrome Pony

The Chrome Pony (<http://www.theChromePony.com>) is an Internet web site specialized in delivering timely information and original content for enthusiasts of the Ford Mustang vehicle.

Providing "Mustang News, Mustang Weather, Mustang Sports" is the charter of the site. Now approaching one hundred pages of information, news items dating back to the closure of the Dearborn Assembly Plant are available. The site even includes local weather forecasts for Mustang, OK, Mustang, CA and Mustang, TX.

Other resources on the site's comprehensive list include discussion forums, photo galleries, original desktop wallpapers for downloading, project descriptions and instructions, as well as original articles and interviews.
