

Rainmagic Passes Testing For Barrett Windows LLC

Rainmagic The Liquid Windshield Wiper adds Barrett Windows LLC to its distributor network.

Pembroke Pines, FL ([PRWEB](http://www.prweb.com)) December 17, 2004 -- Rainmagic The Liquid Windshield Wiper Adds Barrett Windows LLC to its distributor network.

The company that introduced Pyrocoat R to the NHRA & IHRA and has developed RainMagic motorcycle formula for bikes. RainMagic Motorcycle Formula is the first environmentally safe water based hydrophobic coating that's easily applied. For use on motorcycle windshields, fairings, mirrors, face shields, goggles, and lights for visibility through rain, sleet, and snow. It reduces friction and prohibits bug residue from adhering to surfaces. RainMagic disperses water by encouraging raindrop consolidation. Contains no harmful solvents or alcohol; non-flammable.

Barrett Windows, LLC manufactures the industry award winning semi-rigid window system for enclosures on yachts of all types and sizes. The patented technology provides shatter-proof windows that have glass-like properties yet they are only 1/2 the weight of comparable glass. It screens 98% of harmful UV rays, is scratch resistant, its components exceed DOT safety standards, and the windows have long-lasting durability.

Barrett Windows Features:

- Will not shatter
- Quality optics, low distortion
- Half the weight of glass
- Screens 98% harmful UV rays
- Minimizes exterior noise
- 2002 IBEX Innovation Award Winner
- Highly scratch and mar resistant
- Flame-retardant components
- High quality optical properties

Passed G.E. plastics test for use on Lexan (used in Harley-Davidson, Gold Wing and Ducati windshields) and is recommended by G.E. plastics Inc

RainMagic will last for months not weeks like other products.
