Get a Great Used Model at Kingston NY Today!

KINGSTON, N.Y. ([PRWEB](#)) April 22, 2021 -- For drivers that are looking for an exceptional used vehicle at a low price, Volkswagen of Kingston is the dealership to visit! They offer a wide variety of excellent used models, ranging from sedans to SUVs, and giving a ton of great features. What are some of their offerings? Continue reading below to find out yourself!

Starting off the list of excellent used vehicles available is a 2013 Fiat 500 Pop, a great vehicle that has a price of \$6,200. This model has only 72,842 miles on it, meaning that it is in a relatively good view. The model also offers a 1.4-liter I-4 engine system and a 5-speed manual transmission, giving drivers a ton of amazing benefits and performance.

A second amazing vehicle on the list is a 2013 Chevrolet Sonic LT, a vehicle that has a price tag of only \$7,600. This model has a total mileage of 65,790 and features a 1.8-liter I-4 DOHC engine system and a 6-speed automatic transmission technology. This gives drivers greater performance, greater efficiency, and more, letting them tackle the world without worry or pause.

Finally, drivers can enjoy an amazing 2014 Volkswagen Passat 1.8-liter SE w/Sunroof model, a vehicle that has a price tag of \$8,000. This model has a total mileage of 123,668, not bad for a vehicle that's seven years old. The vehicle also offers a 1.8-liter four-cylinder engine system as well as a six-speed automatic transmission technology.

These systems and features give drivers a ton of benefits, though they are far from all that drivers can enjoy at Volkswagen of Kingston. To learn more, or to take these vehicles and others for a test drive, interested parties should contact the dealership today.
