

Colonial Toyota Makes Sales and Service Simple with Fast Trac

Fast Trac Makes Sales and Service Simple for Customers at Colonial Toyota

MILFORD, Conn. ([PRWEB](#)) August 20, 2021 -- Colonial Toyota is an automotive dealership in Milford, CT. To make sales and service simple, the dealership has introduced the [Fast Trac service](#). Customers can now look at the varied [inventory](#) of Colonial Toyota, appraise the trade-in value of the current vehicle and buy the vehicle online without visiting the dealership. Those who have a current driver's license and full coverage auto insurance can test drive the vehicle at their home. As a precautionary measure during COVID-19, vehicles are properly cleaned and sanitized before the test drive. Credit application approval is needed before the delivery. The process is easy, convenient, and safe.

Colonial Toyota Service Technician picks up the vehicle from customer's home for servicing or repair. Customers get regular updates through text messages. They can pay online and get their sanitized vehicle delivered back to their home. The process is quick and helps in saving time.

The official website of Colonial Toyota gives details about Toyota vehicles by offering detailed model research and comparison pages. Interested shoppers can get all information about the latest Toyota vehicles. Keeping the COVID-19 protocols in mind, vehicles are properly sanitized prior to delivery.

For more information, customers can visit the dealership's website at [Colonial Toyota](#). You can contact Colonial Toyota at 203-403-6890 or request an appointment on the website. Colonial Toyota showroom is located at 470 Boston Post Road, Milford, CT.
