Customer cash opportunities available on select Toyota models at Gale Toyota

ENFIELD, Conn. ([PRWEB](#)) January 13, 2021 -- Gale Toyota is offering a customer cash back deal on select Toyota vehicle models for a limited time only. The customer cash back deal ends on Feb 1, 2021, and this deal can only be found at your local Gale Toyota dealership.

The customer cash back deal has been broken up into two different segments, one segment where potential customers can get \$1,000 cash back on select Toyota models and another segment where customers can get \$1,500 cash back on Toyota models. The models available for the \$1,000 cash back deal is the 2021 Toyota Highlander, 2021 Toyota Rav4, 2021 Toyota Corolla, 2021 Toyota Corolla Hatchback and the 2021 Toyota Camry. The models available for the \$1,500 cash back option are the 2021 Toyota Prius AWD, 2021 Corolla Hybrid and the 2021 Camry Hybrid models.

This cash back deal is only valid at your local Gale Toyota dealership, and it is worth noting that no actual cash will be handed to the customer. The idea behind the cash back is simply that the potential driver who chooses to buy one of these vehicles will get either \$1,000 or \$1,500 off their purchase, and the cash back payments can only happen during a vehicle transaction.
