

Ontario Volkswagen is offering two distinct tire coupons to drivers in the area

Two tire coupons are available for drivers near Ontario, CA

ONTARIO, Calif. ([PRWEB](#)) January 13, 2021 -- Ontario Volkswagen is offering two service coupons for when it is time to start looking at new tires for a vehicle. The first coupon being offered is a Volkswagen tire store match guarantee, and the second coupon being offered is \$20 off four-wheel alignment with the purchase of four tires.

The Volkswagen tire store match guarantee coupon is valid all year long, with an expiration date of Dec 31, 2021. The way that this coupon works is if there are tires out there that have a lower price than what Ontario Volkswagen is offering, they will refund the difference between the two sets of tires. On top of covering that difference, Ontario Volkswagen will also provide 100% coverage of the tires the first year after purchase, and 50% coverage throughout the second year after the purchase. This coupon is only valid at Ontario Volkswagen, located in Ontario, CA.

The four-wheel alignment coupon that offers \$20 off with the purchase of four tires is only available until March 31, 2021. With this coupon, the service team at Ontario Volkswagen will mount and balance the new tires, check the front and rear toe-in, toe-out and camber. They will adjust all these parts as needed also. This coupon must be presented at the time of service and can only be used at the local Ontario Volkswagen dealership.
