

Chris Auffenberg Family of Dealerships Welcomes the 2021 Hyundai Tucson to its Showroom

Select Chris Auffenberg Family of Dealership locations now have the 2021 Hyundai available in its showroom

CAPE GIRARDEAU, Mo. ([PRWEB](#)) January 13, 2021 -- Individuals who are looking for a new vehicle that will leave a lasting impression would like what the 2021 Hyundai Tucson offers. It can tow up to 2,000 pounds when properly configured, helps drivers remain connected while on the road and it gets about 25 miles per gallon combined.

The 2021 Hyundai Tucson is available in six trim levels which include the SE, Value, SEL, Sport, Limited and Ultimate. All six trim levels come standard with the same engine which is a 2.4-liter inline 4-cylinder engine that produces 181 horsepower and 175 pound-foot of torque.

All six trim levels that the 2021 Hyundai Tucson is available in have a variety of comfort and convenience features. Some of these include a 7-inch touchscreen display, Apple CarPlay and Android Auto capabilities, an adjustable steering wheel and a remote keyless entry system. These are some of the items that are standard in the base trim level. There are many more features available and standard in the higher trim levels.

There are a variety of driver-assist features in the 2021 Hyundai Tucson. Some of these include Driver Attention Warning, Lane Keeping Assist, Forward Collision Alert and many more.

Potential customers who would like to learn more about the 2021 Hyundai Tucson can visit the dealership's website <https://www.chrisauffenberg.com/>. Individuals who have further questions about the 2021 Hyundai Tucson can reach one of the seven dealership locations by phone. Finally, for those who would like a more personal experience, the dealership has convenient locations in Cape Girardeau, Farmington, Mexico and Washington, Mo. as well as Carbondale and Herrin, Ill.
