

Genesis of Stockton is offering a discounted price on oil and filter change services

Discounted oil change and filter change coupon are available for eligible drivers.

STOCKTON, Calif. ([PRWEB](#)) January 12, 2021 -- Genesis of Stockton is offering a special discount on their oil and filter change services. This offer expires on March 12, 2021, and is only valid at your local Genesis of Stockton dealership, which is in Stockton, CA.

The offer for the oil and filter change service is listed for a discounted price of \$49.95, and the coupon must be presented at the time of service in order to get the discount. When interested drivers do bring in the coupon, they will get a variety of different things done to their vehicle, which will be listed in the following paragraph.

Drivers who choose to act on this terrific deal will get a wide variety of different services done to help replace their oil and filters. The folks at Genesis of Stockton will replace up to five quarts of conventional motor oil for your engine, replace the vehicle's engine filter and complete a multi-point inspection on the vehicle brought in. Interested drivers also have the option to upgrade to synthetic oil for an additional cost.

If interested in taking advantage of this coupon, potential customers would have to visit the Genesis of Stockton website at <https://www.genesisofstockton.com/> and go under the ownership tab. Under the ownership tab, they will see a service specials option. Once at this screen, the coupon can either be printed off right from the site or sent to a valid phone number or email address. If there are any questions or concerns regarding this coupon drivers can feel free to reach out to the service department at Genesis of Stockton at this number 833-305-0749.
