

Ackerman Toyota Welcomes the 2021 Toyota Highlander to its Showroom

New safety features are a highlight of the 2021 Toyota Highlander.

ST. LOUIS ([PRWEB](#)) January 12, 2021 -- Individuals in the St. Louis area who have been looking for a new SUV with a generous amount of interior space will be pleased to know that the 2021 Toyota Highlander has arrived at Ackerman Toyota. The vehicle has seating for seven or eight depending on the trim level that is chosen along with an impressive fuel economy and a new model.

The new XSE model is a sporty vehicle that has improved handling, unique exterior badges and a specially designed interior. The model is available with a 3.5-liter V6 engine that produces 295 horsepower. Front-wheel drive and all-wheel drive are both available on this model.

Toyota Safety Sense™ 2.5+ is the latest suite of active comprehensive safety features. Systems that come standard as part of this suite include Pre-Collision System with Low-Light Pedestrian Detection, Full-Speed Range Dynamic Radar Cruise Control, Lane Departure Alert with Steering Assist, Lane Tracing Assist, Road Sign Assist and Automatic High Beams.

Ackerman Toyota not only carries the latest models, but it also offers a non-factory limited lifetime warranty to its customers. It is called Ackerman for Life. The warranty comes on all new vehicles that are purchased from the dealership and it covers the vehicle's engine and an oil and filter service every year. This warranty goes into effect once Toyota Care expires.

Drivers in the St. Louis area can view the entire Toyota lineup at Ackerman Toyota by visiting <https://www.ackermantoyota.com/>. Potential customers who have questions and would like to speak with someone from the dealership can call 314-351-3000. Finally, for those who would like a more personal interaction, the dealership is conveniently located at 2020 Hampton Avenue.
