

Capital Honda Welcomes the 2021 Honda Passport to its Showroom

The spacious and powerful 2021 Honda Passport is now available at Capital Honda

CHARLOTTETOWN, Prince Edward Island ([PRWEB](#)) January 12, 2021 -- Individuals who have been searching for a new spacious vehicle will like what the 2021 Honda Passport offers. Available in three trim levels and with many top-notch features available, the 2021 Honda Passport is ready for anything that comes its way.

The three trim levels that the 2021 Honda Passport is available in include the Sport, EX-L and Touring. All three trim levels feature the same powerful engine which is a 3.5-litre Direct Injection SOHC i-VTEC® V6 engine that produces 280 horsepower and 262 pound-foot of torque.

Inside of the 2021 Honda Passport, there is room for five people. In addition, there are great features to make the drive more comfortable and enjoyable. Some of these include active noise control, a 7-inch centre display with driver information interface, a multi-angle rearview camera with dynamic guidelines, various steering wheel mounted controls and much more.

There are many driver-assist features that come standard in the 2021 Honda Passport. Some of these include Adaptive Cruise Control, Lane Keeping Assist, and Automatic High Beams. There is also a Honda LaneWatch™ blind spot display standard on the Sport and EX-L, and a Blind Spot Information System and a Rear Cross Traffic Monitory system that is standard on the Touring trim level.

Potential customers who would like to learn more about the 2021 Honda Passport that is now available at Capital Honda can visit the dealership's website, <https://www.capitalhonda.com/>. Individuals who have further questions and would like to speak to someone from the dealership can call 902-566-1101. Finally, for those who would like a more personal experience, Capital Honda is conveniently located at 40 Lower Malpeque Road.
