

New Fuel-Efficient Models Offered by Volkswagen of Kingston

Volkswagen of Kingston Now Offering New Fuel-Efficient Models!

KINGSTON, N.Y. ([PRWEB](#)) January 12, 2021 -- For drivers in the Kingston, NY area that are looking for new, fuel-efficient models that offer a ton of benefits, Volkswagen of Kingston is the dealership to be! They're offering a wide variety of exceptional new models that bring a ton to the table in terms of fuel economy, letting drivers go further on less! Continue reading below to see some of what the dealership can offer!

Starting off the list of exceptional fuel-efficient models offered by Kingston is a 2020 Volkswagen Jetta 1.4T S! This great model is on sale now for a price of \$18,537 and is nearly brand-new! It has a fuel economy of up to 30 MPG in the city and 40 MPG on the highway, largely due to its 1.4-liter TSI engine and eight-speed automatic transmission system. The sale ends soon, so interested buyers should contact the dealership today!

Another new and exceptional model offered by Volkswagen of Kingston is a 2021 Volkswagen Golf 1.4-liter TSI! This is a newer model, having just come out, and as such drivers are guaranteed quality! This vehicle has a fuel economy of up to 29 MPG in the city and 39 MPG on the highway due to its 1.4-liter TSI engine and a six-speed manual transmission. It's currently priced at \$22,242 after over \$1,750 in discounts and sales!

Finally, the last model we're looking at today is a 2021 Volkswagen Jetta R-Line! This is an upgraded version of the Jetta listed above, offering more features than before! This includes a slight edge in fuel economy with a highway EPA-estimated 41 MPG. The city fuel economy is still 30 MPG, however. It features a six-speed manual transmission and the same 1.4-liter TSI engine. It's currently listed at \$22,538 after over \$1,500 in sales!

These are just three of the many, many models that are currently for sale at Volkswagen of Kingston. Interested individuals are encouraged to contact the dealership today in order to learn more! They can be reached online at <https://www.vwofkingston.net/> or by phone at 855-434-6487!
