

Donaldson's Volkswagen introduces Military and First Responders Program

Military and First Responders Program by Sayville Dealership

SAYVILLE, N.Y. ([PRWEB](#)) September 30, 2021 -- It is difficult to imagine life without Military and First Responders. They are present in every step and their work always had a profound influence on everyone's lives. They protect, guard and always be available when need be. Like the adrenaline, the First Responders are there right at the sight of anyone in danger or hurt. It is difficult to reward this level of dedicated and intangible service to the nation.

As a small token of appreciation, Donaldson's Volkswagen has introduced the Military and First Responders Program, to thanks the real-life heroes. Donaldson's Volkswagen will offer a \$500 bonus towards the lease or purchase of select new & unused Volkswagen models.

Active-Duty U.S. Military (Army, Navy, Air Force, Marines, National Guard, Coast Guard and Active Reserve), U.S. Military Veterans and U.S. Military Retirees with at 24 months of active duty are eligible for this bonus. This bonus also extends to the families of the military personnel.

For First Responders, this bonus extends to Police Officer, Sheriff/Sheriff's Deputy, Correctional Officer, State Trooper, Federal Law Enforcement, Officer, Firefighter, EMT, and Paramedics and their families only.
