Chattanooga Dealership Introduces Customer Confidence Program

CHATTANOOGA, Tenn. ([PRWEB](#)) September 30, 2021 -- With quite a few used car dealerships in Southeastern Tennessee, it is difficult to decide on which is a reliable one in Chattanooga. Auto Simple has ended this concern for its patrons. Now customers can buy used cars in Chattanooga with confidence.

Under the Customer Confidence Program, it offers a ton of benefits to buyers. Every certified pre-owned vehicle comes with a 12-month or 12,000 miles warranty. If customers are not happy with the vehicle, they can return it within 48 hours with no questions asked.

It also offers free CARFAX history on every vehicle in the inventory. This lets the buyer know all about the vehicle's history and helps to make an informed and right decision. Auto Simple Dealership is very particular in inventory selection. In addition to this, each of their certified pre-owned vehicles goes through a 200-point inspection by highly experienced and trained technicians. This ensures a seamless experience for buyers because they get vehicles as good as new.

The Customer Confidence Program also includes low down payments so that the customer's car doesn't put a financial burden on them. With down payments as low as \$499, the Auto Simple Dealership makes sure that the customers' car is affordable. Additionally, customers can get a free oil change at an interval of 90 days with the Customer Confidence Program as they sign up for recurring payments at the dealership.

As an add-on treat, the program offers \$200 credit to the customer who refers a friend who purchases a vehicle from Auto Simple. This intriguing program for used vehicles has set a benchmark for used vehicle dealers in Tennessee.
