

2022 Models Available for Pre-Order from Mercedes-Benz of Kansas City

Drivers Can Get Ahead of the Curve and Order Now

KANSAS CITY, Mo. ([PRWEB](#)) September 28, 2021 -- Amid well-documented nationwide shortages of vehicles for new automobile inventories, things are slowly starting to pick back up in some areas as preparations for the upcoming year begin. Luxury automobile drivers in the Kansas City area who are looking to upgrade their current ride are able to get the process started ahead of next year, as 2022 Mercedes-Benz models are now available for pre-order from Mercedes-Benz of Kansas City.

As 2021 begins to head into its fourth quarter, it is time to look ahead at what 2022 has to offer, which, for Mercedes-Benz, is a full slate of the kinds of sophisticated vehicles for which the brand is known. Mercedes-Benz is delivering on a number of different fronts, from coupes to sedans to SUVs for the new model year. The 2022 Mercedes-Benz CLS Coupe offers a unique four-door design and aerodynamic angles for drivers looking for a fuel-efficient luxury car. The 2022 Mercedes-AMG® GLC 63 SUV provides versatility and a sporty driving dynamic. Drivers can also look ahead to the all-new 2022 Mercedes-Benz EQS, an electric-powered sedan with an exclusive Mercedes-Benz User Experience (MBUX) Hyperscreen that spans 56 inches from the driver-side door to the passenger door, blending three display screens in seamless fashion.

By taking the initiative to contact Mercedes-Benz of Kansas City to get the pre-ordering process started, discerning drivers can expect to find the vehicle they truly want rather than trying to wait it out and see what is left for them. This is a way for drivers to get ahead of the curve by reserving the luxury automobile of their dreams right now.

Those who are interested in pre-ordering a new 2022 Mercedes-Benz model from Mercedes-Benz of Kansas City can call 833-353-0155 or visit www.mb-kc.com. Mercedes-Benz of Kansas City is located at 13851 Madison Avenue in Kansas City, Missouri.
