

Alexander Toyota Offers Toyota Express Maintenance Service

Customers Can Get Factory Scheduled Service at Alexander Toyota in Yuma, Arizona

YUMA, Ariz. ([PRWEB](#)) September 28, 2021 -- Alexander Toyota offers its customers Toyota Express Maintenance service at its dealership in Yuma, Arizona. The dealership has a dedicated and well-trained staff who will thoroughly inspect your vehicle and carry out the servicing and maintenance work required at a reasonable rate.

The Toyota Express Maintenance service includes oil change, brake inspection, tire rotation, multi-point inspection, and fluid inspection. In case of an oil change, the dealership will drain and refill your Toyota with factory-recommended oil, replace the oil filter and change the oil indicator light as well.

The dealership will also check the brake pad thickness of your vehicle, provide tire rotation service that will help your vehicle's tires last longer and wear evenly. Furthermore, during the fluid inspection, all the fluids including the fluid in the coolant, brake, power steering, windshield washer, and transmission will be checked and refilled at no additional cost.

To schedule a service, you can visit the dealership website and fill out a form. You will have to provide the details of your vehicle, such as year, make, model, trim level, etc. However, you can call the dealership and fix an appointment as well.

Therefore, all interested parties are requested to visit <https://www.myalexandertoyota.com/> for more information regarding the Toyota Express Maintenance service and scheduling an appointment with the dealership. Customers can also call 928-344-1170 to schedule an appointment.
