

Waytek Presents Supplier of the Year and Exceptional Service Awards to Littelfuse, Inc.

The awards recognize Littelfuse for its outstanding long-term partnership as a supplier as well as Littelfuse employee Gina Williams for exceptional service to Waytek and its customers.

CHANHASSEN, Minn. ([PRWEB](#)) October 01, 2021 -- Electrical components distributor [Waytek, Inc.](#) has presented [Littelfuse](#) with Waytek's Supplier of the Year Award for 2020. In addition, Waytek honored Gina Williams, North American Aftermarket Account Manager at Littelfuse, with Waytek's 2020 Exceptional Service Award.

The Supplier of the Year Award recognizes the long-time Waytek partner that has distinguished itself through ongoing commitment to excellence, collaboration, quality performance improvement, and outstanding service to Waytek customers.

The Exceptional Service Award honors the employee at a partner organization who has done the most to go "above and beyond" in collaborating with Waytek to deliver exceptional service to Waytek customers.

Littelfuse has long been a leader among Waytek's suppliers, providing high-quality power distribution modules, fuses and fuse holders, electrical switching devices, and other circuit protection and battery management products to Waytek customers.

"Littelfuse has proven time and time again that they are capable of consistently delivering quality and best-in-class service," said Charlie Kanan, Waytek CEO. "We are truly fortunate to work with Littelfuse and with employees like Gina Williams, whose contributions have played a crucial role in supporting Waytek's goal of being the distributor of choice to our customers."

"We are honored to receive the Supplier of the Year award from Waytek, a great distribution partner to our commercial vehicle business," said Dave Heinzmann, Littelfuse President and Chief Executive Officer. "In addition, it's a great honor to see Littelfuse associate Gina Williams recognized with the Waytek Exceptional Service Award. Both awards are a testament to the hard work and commitment of our global teams as they deliver the highest level of quality and service. We look forward to many years of collaboration, innovation, and excellence on behalf of Waytek and our mutual customers."

Littelfuse was selected for the Supplier of the Year Award by demonstrating high performance in areas such as innovation, quality, on-time delivery, and a long-term approach to Waytek's strategy. Williams was chosen for the Exceptional Service Award for performance in areas including responsiveness and proactive service, industry expertise, forging relationships with Waytek employees, and helping the two companies work together at a high strategic level.
